Certificate of Co-operation

Uniformed Units Humidor Committee,
Aleppo Temple, A.A.O.N.M.S.,
Boston, Massachusetts.

Gentlemen:

I wish to make application for the delivery of a Home Humidor to my home. If my application is accepted, I understand that:

1. If I purchase a minimum average of one and one-half packages of cigarettes per day, at fifteen cents per package for the four leading brands, viz.: Chesterfields, Camels, Lucky Strikes and Old Golds, or the equivalent in other brands of cigarettes or cigars, for a period of one year from the date of its delivery, the Home Humidor becomes my property.

2. I understand that if I purchase 528 packages of cigarettes before the expiration of one year, the Humidor becomes my property, and that I am then eligible for your Plan No. 2.

3. I understand that the Humidor and its contents shall remain your property, and are only loaned to me until I have met the requirements contained in this Certificate of Co-operation.

4. I understand that I will receive every two weeks a supply of cigarettes or cigars in accordance with my quota and selection, and that I will pay at that time for the supply which was delivered to me two weeks previous.

5. I understand that I am not obligated in any way to purchase the 528 packages of cigarettes per year, and that I have the privilege of requesting you to remove the Humidor from my home at any time and discontinue the service.

6. I understand that should my purchases fall short of a minimum of one and one-half packages per day, you have the right to remove the Humidor from my home, and I agree to deliver it to your accredited representative on demand.

7. As long as the Humidor remains in my possession, I agree to take reasonable and proper care of it, and will not damage it in any way.

8. It is understood that this application must be approved and accepted by the Uniformed Units Humidor Committee before it becomes valid.

UNIFORMED UNITS OF ALEPPO TEMPLE

97 HUNTINGTON AVENUE - BOSTON

Dear Noble:

Here's a brand new service—with triple benefits—that is bound to appeal to every Shriner:

(1) It offers you a real convenience—one you've always wanted.

(2) It enables you to obtain—absolutely free—a beautiful and most useful piece of furniture.

(3) And it is sponsored by the Uniformed Units of Aleppo Temple to raise funds for their activities, give employment to many Nobles, and make certain contributions to the Shriners' Hospital for Crippled Children from these Units.

All we ask is that you purchase your normal requirements of cigarettes of us. This is estimated at a package and a half daily—a carton a week—528 packs yearly. . . . Or you can buy the equivalent in cigars.

When you have signed the enclosed certificate of co-operation and mailed it to us in the enclosed self-addressed envelope, we will deliver to you at once—without any cost to you—no strings attached whatsoever—one of the beautiful Home Humidors illustrated in this pamphlet. . . . And you need not pay for the cigarettes or cigars until after you have enjoyed them.

There are six styles of Humidors to select from. They are designed to fit every type of living room. They can be used as end tables, telephone tables, lamp tables, drop-leaf tables, magazine and book tables. . . . All are well constructed, finished in walnut and the tops and doors are all made of choice matched butt walnut. The retail value of each Humidor is \$18.50.

When you consider the value of the Humidor—which is absolutely free—you will agree that you are buying your cigarettes and cigars at "frightfully" low prices.

Under our plan, every two weeks a fresh supply of your favorite cigarettes or cigars will be delivered to your home or office—or both. And they will be kept fresh. The freshener inside each Humidor attends to that. . . . As you will note from the attached list, we carry a complete line of cigarettes and cigars.

The demand for Humidors will be very great, so please be patient with us. We will deliver your Humidor to you as quickly as possible. We consider our offer very generous, and we expect a one-hundred-per-cent demand, and we are prepared accordingly to take care of such a demand.

To avoid being disappointed, it is suggested that you make your selection promptly and let us know which model you prefer.

Trusting that you will co-operate, if possible, to make our project a success, we remain,

Sincerely yours,

UNIFORMED UNITS OF ALEPPO TEMPLE.

It is a great idea, isn't it? Everybody seems to think so. What do you think of it?

At least one model will harmonize with every type of living room.

In short, no longer need you run out of cigarettes . . . or run out *for* cigarettes. And in the past how often have you been out of cigarettes during the early morning hours, on Sundays, after a bridge game, etc., etc.

The cabinets themselves are far more beautiful than the photographs. The photographs do not do them justice.

Select the style you prefer and you will be sure of having fresh cigarettes at all hours.

We are enclosing with this letter a certificate of cooperation that we wish you to sign. In it, you agree to use one and one-half packages of cigarettes a day, and in agreeing to do this you are placing your order for one of the Humidors to be delivered to you at once.

A REAL CONVENIENCE

A REAL SERVICE
